COS10009 Introduction to Programming

Reflective Video

You are required produce a short reflective video as one of the components in your learning summary report (Refer Portfolio Format and Assessment Criteria). The video should summaries the topics that have been covered in this unit. The duration of the reflection video is expected to be in the range of 3 to 5 minutes, and it should be uploaded to Youtube for submission.

You may find some samples of short reflective videos in the links below:

https://www.youtube.com/watch?v=4Xtuj3bBcyA&feature=youtu.be (Variable and Data Representation)

https://www.youtube.com/watch?v=aeoGGabJhAQ (Variables, Arrays, Strings, & Length)

https://www.youtube.com/watch?v=BWbh3hcK0A0 (Selection Structure)

Individual Task:

Video	Topics	Duration	Due Date
Reflection Video	Variable, Standard Input/Output, Selection, Loop. Array	3 to 5 minutes	16/4/2018 (Monday)

Note: Remember to introduce yourself at the beginning of the video

Creating and Editing Video

You may use any screen recorder or video recording software and hardware available to you. Examples of screen and video recording software:

Camtasia (Free-trial)
